

CITY OF
BIG BEAR LAKE *California*

COMMUNITY DEVELOPMENT DEPARTMENT

CONDITIONS OF APPROVAL FOR MOBILE BUSINESSES

1. The service provided by the mobile business must be in compliance with the zone in which the work is performed.
2. The mobile business must comply with all applicable requirements of any agency with regulatory or permitting authority over the conduct of that business.
3. Any automotive related services shall be limited to cleaning, detailing, and minor replacement or repair to glass and/or accessory parts; no mobile business shall be permitted to conduct auto repair, auto body, or engine work.
4. No work shall be conducted in parking lots which are restricted to employees only.
5. No work shall be conducted on city-owned property, including parks, parking lots, or public rights-of-way.
6. All concrete cleaning, deck restoration, pressure washing and vehicle detailing activities must be performed in a manner that complies with the City's National Pollutant Discharge Elimination System Ordinance requirements. All pollutants generated in the performance of these operations must be contained, collected and disposed of in an approved manner.
7. These business operations are not permitted to be conducted on public streets or in the parking lots of commercial businesses as they would disrupt traffic flow and obstruct public parking areas.
8. Advertising through the distribution of handbills or by placing flyers on vehicle windshields is not permitted.

I hereby swear that I have read the foregoing conditions and that the mobile business for which I am applying will be operated in conformance with these conditions and all other applicable requirements of the Big Bear Lake Municipal Code.
