TRANSIENT PRIVATE HOME RENTAL

“NEW BUSINESS LICENSE ADVISORY NOTICE – AUGUST 1, 2017”

As of January 20, 2017, In-Person Check-in Agent and 24/7 Complaint Response Agent acting on behalf of a Transient Private Home Rental (TPHR) managing agency/owner manager were required to submit notarized affidavits personally acknowledging their agreement to act as an agent in one or both of these capacities. Additionally, the agent submitting the affidavit acknowledges that they will obtain City of Big Bear Lake certification as an In-Person Check-in Agent and/or 24/7 Complaint Response Agent within 90 days of submittal of the notarized affidavit.

Effective immediately, all new business license application submittals by a TPHR managing agency or owner manager shall include a copy of the notarized affidavit for their In-Person Check-In Agent(s) and their 24/7 Complaint Response Agent(s). A new business license application will not be accepted for processing without these affidavits.

The Code Compliance Division will validate compliance with agent certification requirements during the business license review process. Failure of a Check-in and/or Response agent to obtain City certification within ninety (90) days of their affidavit submittal may result in the suspension of the management agency or owner manager business license and authorization for rental activities at the TPHR unit(s) they represent.
